REC NEWS

Last Sunday it was Pentecost Sunday, the word Pentecost is Greek and it means "50th day." Fifty days after Easter Sunday, we celebrate the coming of the Holy Spirit upon the Apostles and their followers, and the beginning of their Earthly ministry to make disciples of all nations. The symbols of Pentecost are the flame, wind, and the dove, which represents the Holy Spirit. The color of Pentecost is red and the priest wears red vestments on this day. Let us ask the Holy Spirit to come into our hearts so that we may be Spirit filled.

The primary students attended Mass on Friday 31st May. It was great to see some family members there too. The students participated reverently and listened attentively to Father Andrews homily about the good news of Jesus being shared with everyone.

PBS4L

For the next two weeks our PBS4L focus will be: 'Keep our Bodies to Ourselves'.

In their classes, the students will discuss the following:

At St Bernadette's we are safe. We keep our bodies to ourselves and do not touch others in harmful or hurtful ways. When we keep our hands, feet and objects to ourselves, our friends feel safe and they are happy to play with us.

We encourage all students to 'keep their bodies to themselves' and ask parents to be supportive of this and talk to your children about what they are learning and how they will behave while at school.

Congratulations to ES1B and ES1G for receiving 20 tokens! In Week 5, Kindergarten celebrated this with a games day. Congratulations Kindergarten!

\$100 Creative Kids Vouchers Go Live

As parents begin planning for the year ahead, they can now access Creative Kids vouchers, providing them with \$100 for every school-age child to help cover the cost of enrolment for creative and cultural learning activities. Parents can use one voucher for every school-age child per year to help meet the cost of structured creative and cultural activities, such as music lessons, languages, coding, drama and theatre, photography and graphic design. Minister for Finance, Services and Property Victor Dominello said the NSW Government's Creative Kids program builds on the success of the Active Kids program, which is back this year, helping to reduce the cost of registration for sport and organised physical activity. See media release on following page.

\$100 CREATIVE KIDS VOUCHERS GO LIVE

As parents begin planning for the year ahead, they can now access Creative Kids vouchers, providing them with \$100 for every school-age child to help cover the cost of enrolment for creative and cultural learning activities.

Parents can use one voucher for every school-age child per year to help meet the cost of structured creative and cultural activities, such as music lessons, languages, coding, drama and theatre, photography and graphic design.

Minister for Finance, Services and Property Victor Dominello said the NSW Government's Creative Kids program builds on the success of the Active Kids program, which is back this year, helping to reduce the cost of registration for sport and organised physical activity.

"The start of the school year is just around the corner and we are encouraging parents to get in early by jumping on the Service NSW website to register for their Creative Kids vouchers," Mr Dominello said.

"Involvement in creative and cultural learning activities is critical to a child's growth and development but the enrolment costs all add to the family budget and can be prohibitive.

"The NSW Government recognises that cost of living is a major issue for families and because of our strong budget position, we are proud to be providing this extra assistance for children to participate in these valuable creative and cultural programs.

"This program compliments the hugely popular Active Kids voucher and for a family with two children, Creative and Active Kids combined will save you \$400 a year."

There are still thousands of providers out there which could be eligible to be part of the Creative Kids program throughout 2019. The Government is calling on them to register with Service NSW so that parents can claim their vouchers with them.

Creative Kids is one of a raft of NSW Government initiatives helping to ease cost of living pressure for households. Others include cheaper Green Slips and refunds, free car registration for regular toll users and the FuelCheck app. Further information on how to register as a provider and the program is at www.service.nsw.gov.au/campaign/creative-kids

THE HOLY SPIRIT: FILL YOUR TANK!

Gospel in Life

I have a couple of friends with whom I don't like driving. Each likes to see how far below empty he can go with the fuel gauge before filling up. Both have run out of petrol many times. One even ran out on a back road in the Northern Territory.

I've known other people—young people and adults—who run out of 'gas' in other ways. They start projects with a lot of energy and ideas but can't seem to finish them. That doesn't have to happen with Christians. Our fuel is the Holy Spirit. And the petrol station is always open.

Some people have trouble understanding how the Holy Spirit can make a difference in daily life. I think this week's Gospel makes that clear. Jesus breathes on the Apostles and says, "Receive the Holy Spirit". He does that after saying that he sends us into the world as God sent him. So, Jesus gave the Spirit as fuel for doing his mission.

What's the point? If you want to really see how the Spirit can impact your life, call on the Spirit's power to help you live like Jesus. You can do that in many ways. When you're ready to explode, stop and ask the Spirit to calm you. When you're ready to go along with the crowd instead of standing up for what's right, stop and ask the Spirit to boost you. When you feel like turning away from someone who needs you, stop and ask the Spirit to help you care.

This isn't magic. Like many things, you get better at letting the Spirit empower you the more often you call upon the Spirit. I know that I'm more able to feel the Spirit in certain moments if I'm praying regularly each day. Again, like cars, we need regular maintenance (i.e. daily prayer life), not just occasional trips to the petrol station.

So fill up. There's a world full of people waiting for you to drive up with hope, healing and justice.

Recall a time when a quick prayer in a difficult moment has helped you act more like Jesus.
